## Praying For You From The Computer: Pastor Ken

### **Praying for you from the computer:**

Two words that frequently go together are patience and virtue. Patience is a virtue. Patience is a valued attribute to have and it is something we need to be growing in throughout our lives. There are great benefits to having patience and the Bible lists many. I thought I would share/ remind you of some of the benefits of patience this month. They help us remember how important patience is.

### **Patience provides us a better end than the present.**

(God) will give eternal life to those who patiently do the will of God, seeking for the unseen glory and honor and eternal life that he offers.

Romans 2:7 LIV

### **Patience wins the approval of God.**

I waited patiently for the Lord; he turned to me and heard my cry.

Psalm 40:1 NIV

Of course, you get no credit for being patient if you are beaten for doing wrong; but if you do right and suffer for it, and are patient beneath the blows, God is well pleased.

I Peter 2:20 LIV

### **Patience makes us a good example for others.**

That's why we brag about you to all of God's churches. We tell them how patient you are and how you keep on having faith, even though you are going through a lot of trouble and suffering.

2 Thessalonians 1:4 CEV

### **Patience perfects our character.**

So let it grow, and don't try to squirm out of your problems. For when your patience is finally in full bloom, then you will be ready for anything strong in character, full and complete.

James 1:4 LIV

### **Patience gives us hope.**

Everything written in the Scriptures was written to teach us in order that we might have hope through the patience and encouragement which the Scriptures give us.

Romans 15:4 TEV

### **Patience enables us to inherit God's promises.**

We wish that each of you would always be eager to show how strong and lasting your hope really is. Then you would never be lazy. You would be following the example of those who had faith and were patient until God kept his promise to them.

Hebrews 6:11-12 CEV

## Give Thanks To The Lord, For He Is Good . . . 1 Chronicles 16:34

Dear Grace Church Family,

“Thank you” everybody for your prayers, get well wishes with cards and calls. Thank you, Sheldon, for your visit and prayer at the hospital especially what you had to do to be able to come to my room. Thank you to the Care Team, for the beautiful card, with so many well meaning signatures. I’m very grateful to know so many people in church.

Also good wishes for Pastor Ken & Family. Soon, I’m hoping to hear his sermons again, getting to church will be harder, I have to use a walker now, but with help and God’s Blessings, I hope to make it.

Again, Thank you.

Love and prayers, Elfriede Coulter

FROM THE  
CHURCH  
OFFICE

This is something I don’t normally do—I much prefer being silent and working behind the scenes and behind the computer screen. As many of you know, working part-time keeping Grace running is daunting and many days, overwhelming. Between

the phone, door buzzer and drop-ins, most days I no sooner have my fingers on the keyboard and I’m interrupted again. Don’t get me wrong. I am here to facilitate the running of the church and that does require communication ~ however, there are times that my concentration is needed for what I’m working on and the constant starting and stopping isn’t the most effective way to do that! When you stop in with your question or need, you have no way of knowing how many other people I’ve already assisted or that my immediate project may still be sitting there unfinished.

Todd Reagan recently gifted me with something I’ve never heard of before ~ a Busy Buddy. It’s a light that can be used to indicate I am busy with something and can’t be disturbed. I debated if I should mount it. I don’t want to appear unapproachable but there are times that I need to be uninterrupted. So, if you walk past the office door and the light is glowing, please feel free to leave a note on the memo board on my office door, or leave a note in the holder on the door, or send me an email ([office@gracecoalcenter.org](mailto:office@gracecoalcenter.org)) or stop back at another time and thanks Todd!

Chris

## Exploring God's World with Ross Golden

### SALAMANDERS

Salamanders are found throughout Pennsylvania, living in moist or wet places on the forest floor. Salamanders have thin skin and can easily dry out and die, so they come out at night. They are also harmless to humans, but, it is not good to be smaller than a salamander. They eat almost any animal smaller than themselves. Salamanders are in turn prey for snakes, birds, and carnivorous mammals.

Salamanders are amphibians: which means they are ectothermic (cold-blooded) and spend part of their life cycle on land but reproduce in water or very damp areas. They lay eggs without shells in water starting out in a larval stage then changing into their adult form and returning to the forest. They live in rotten logs, under rocks and leaf litter as long as it is moist.

Salamanders should not be confused with lizards. Lizards are reptiles, related to snakes and have scales. Salamanders have smooth skin. Generally salamanders are brown or green with spots or stripes, the general camo colors. An interesting color pattern is the eastern newt. The newt starts as a larvae and develops into a juvenile stage which is red, some say orange in color and is called the red eft. The red eft crawls very conspicuously through the woods with no attempt to hide. The red eft is unpalatable so predators simply leave it alone. Efts return to the water the following breeding season and morph into the adult newt. The juvenile stage of the newt is thought to aid in dispersion of the population. Newts are also very popular for aquariums and terrariums.

## Grace Family Matters

In May 2018, the Food Bank had a total of 64 recipients in 28 households. We had four new households sign up this month, which is included in that figure.

We had seven volunteers give a total of 36 hours.

For the first time we received, “Scouting for Food” from Monongahela Valley Hospital. This amounted to approximately 500 pounds of nonperishable items that will help us throughout the summer.

Bentleyville Giant Eagle continues to be a big help in providing baked goods every month.

The Greater Washington County Food Bank has started a new program called, “Care & Share”. This program is for those people who may have a one time need for food. There is a cost for this program and our food pantry has purchased a few boxes to have on hand. If you know of anyone who is in need, please call me so we may help them out.

Sincerely,

Sherry Cramer, Coordinator Coal Center Food Pantry

## Grace Family Matters

In May, the Care Team sent out three get well cards from the Welcome Desk.

Sew With Grace will not meet through the summer. Watch the Sunday bulletin for details on when we will begin meeting in September.

Grace United Methodist Women met on June 14, 2018, in the Newkirk Room of the church. Carol Bobby and Judy Parks were our hostesses.

Plans were made to meet at Mary Jane Qualk's home on July 12, 2018, at 11:30 am. Members were asked to bring a covered dish for our lunch. We voted to support the Salvation Army for our mission project at the annual picnic. If one chooses, they may bring: Cleaning supplies/buckets/rags. Hygiene items: toothbrushes, toothpaste, soap, shampoo, washcloths. Any school supplies.

Applications for Mission U were available for those wishing to attend the four day classes or the Saturday Mission Study. So far, two members are attending the Saturday program.

Treasurer Kay Sokolosky announced that our annual pledge to the district was paid in full.

Prayer concerns for our missionary Beth Malingowski in Guatemala and people in Hawaii, for the volcanos that have been erupting in their areas. Prayers were also given for many others from our group.

Sincerely,

Jean Belski, President Grace United Methodist Women

## Grace Christian Education Center

August 20, 2018, is the opening of Grace Christian Education Center, our new preschool and child care center. The Center will be open Monday through Friday, and will offer a Christian preschool for children ages three to five years of age. An afterschool program will be available for school age students of California and Charleroi Area School Districts, with bus pick up and drop off available. To submit an application for enrollment, visit our website at [gracecoalcenter.org](http://gracecoalcenter.org) and click on "Preschool"

Your Church Council, at the recommendation of the Staff Parish Relations Committee, recently hired Mrs. Renee Heckler to lead the Center. Get to know Renee!

My name is Renee Heckler and I have been a Director/Program Coordinator for SmartKids Child Care and Learning Center for 12 years. Prior to my employment with SmartKids, I worked for a Corporate Early Education Program in New Jersey for 14 years as a Director, Regional Trainer and Assistant District Director before relocating back to Western PA. In addition, I taught preschool for two years on a Naval base in LaMadalena, Italy, two years in Kingsland, Georgia, and one year in New Jersey. I graduated from California University of Pennsylvania with a Bachelor of Science in Education and earned Director Credentials in both New Jersey (1) and Pennsylvania (3). I continue to further my education through graduated courses and Professional Development Trainings.

I am now embarking on a new journey as the Christian Education Director of Grace United Methodist Church and I could not be more excited about this opportunity! My initial project is to develop faith based programs to ages 3-5 and after school kids Monday through Friday. We are anticipating opening of the Preschool/After school center in late August and there are so many wonderful people working together to make this possible. The members of the Board of Education feel this is only the beginning and I agree. Imagine the possibilities . . .

Bill and I have two grown children, Mathew and Kaytlin, and we live in Rostraver Township and we love being members of Grace Church. Some of you know me as one of the Hecklers that sit in pew #8 at the 10:45 service, some know me as one of the members of the chancel choir or past participant in the Passion Plays. Some may know me as Bill and Elaine's daughter-in-law or Barb's sister-in-law. I look forward to getting to know more of you in this new role and I will be happy to accept help from any one who wishes to volunteer.
